

GREY GOOSE GAME LODGE

Just One Thing Before You Order

At Grey Goose Game Lodge, our dishes are freshly prepared to order using organically grown produce harvested right here on our farm. We farm in harmony with nature — nature's way, God's way — ensuring wholesome, honest ingredients from soil to plate.

What does this mean for you?

- Our meals are not pre-cooked, as is often the case in many restaurants.
- Every dish is freshly prepared only once your order has been placed. This is what truly sets us apart.
- As a result, your meal may take up to 45 minutes or longer to prepare, as every dish is freshly prepared to order with care and attention to quality.
- As a nature-focused lodge, our priority is to reconnect our guests with nature, open spaces, breathtaking views, sunsets, free-roaming game, and complete tranquillity.
- We invite you to enjoy this time by relaxing with a drink, strolling through our lush lawns and landscaped gardens in complete safety, or simply allowing your mind to slow down and wander.

Thank you for understanding our approach to serving food differently — with better quality, healthier ingredients, freshness, and care. We truly appreciate your patience and are honoured to share this experience with you.
